

The SunShine Closet

The Sunshine Closet is for students who need assistance with food insecurity. The project is run by volunteer students from the Freshman Seminar classes. Students can receive a bag of food twice a month-every other week. Students must have a **current MTC student ID card** and **sign their name** on an index card. Students should not ask to exchange food, but to take the food offered with a smile and thank you.

Locations for ***The Sunshine Closet***:

Beltline campus Wade Martin 433

Airport campus AC-207, Pat Tondini

SA-154, Michelle Eargle
